City Council Hears Financial Report

Issue Orders For Motorists To Endorse All Gasoline Stamps In Their Possession

To add further impetus to the nation-wide drive to check the growth of the "Black Market," the OPA has declared it a violation for anyone to have unindorsed gasoline coupons in his possession. Each coupon must have written on it the license number and state. "A" book holders were advised by War Price and Rationing Board No. 83-12-3 to make the notation in ink on the face of their stamps, while "B" and "C" motorists will place the notation on the back of the stamps in their possession now but on the face of any stamps they receive in the future.

Miss Genevieve Blue, chief clerk at the local rationing board, pointed out that no service station is allowed to sell gasoline unless the indorsed stamps, which naturally coincide with the vehicle's license plate, are submitted. She explained that OPA inspectors are making spot checks throughout the area and that anyone found in possession of unindorsed gasoline coupons may have his book taken. At any rate, he will be referred to his local board for suspension, revocation, or denial. She also reminded gasoline station attendants that the proper sticker must be displayed on the windshield, that is the highest one only.

"Naturally," Miss Blue said, "It is a violation to acquire gasoline with coupons which are not properly indorsed. The new regulations should make it virtually impossible, as well."

The public is earnestly requested to comply with the new setup.

One OPA official remarked, "It takes less than 5 minutes to make these indorsements and the loss of gas rations is a high price to pay for such carelessness."

Plan Increase In Fines For Violators Of Dimout

That old gag about how he was not familiar with the dimout areas will not save the hide of the motorist tagged for driving with bright lights, effective August 1, according to Judge William J. Sweeney, Daly City traffic court. The penalty for dimout violation will be increased sharply on that date.

Sweeney pointed out that Daly City has been a "dimout" area for more than a year now and that the original excuse of "unfamiliarity" is no longer valid. "People are just being careless," he said. "We intend to make it more costly for future violators."

Civilian Defense Council Will Meet

Arthur J. Bodien, director, announces that the Daly City Civilian Defense Council will meet Thursday evening, August 5, at the city hall, 75 Wellington avenue. All heads of services and other key civilian defense people are urged to be present.

Under discussion will be the current reregistration drive, compensation for volunteers injured in the line of duty, and the determination of duties and authorities of various departments of the local civilian defense program. Time for the next control center drill will be decided.

Bodien pointed out that the completing of the personnel records as required by the national Office of Civilian Defense was progressing very slowly and that immediate cooperation is asked.

Set Public Hearings On Proposed Budgets

Proposed school budgets for 1943-44 will be open to public discussion during the first week in August, with the hearing on the Jefferson Elementary School district items set for Tuesday, August 3, 8 p. m. at the Administration building, 344 Santa Barbara avenue, and that on the Jefferson Union High School district provisions set for Thursday, August 5, 7:30 p. m. at the school, 6996 Mission street.

Any local citizens may attend the hearings to discuss the budgets as a whole or any of their specific items.

The proposed expenditures for the local grammar schools total $125,000. Largest single item in the outline is for instruction at $92,302.

In the high school budget the total requirement is listed as $157,461, with instruction calling for $83,138.

R. L. Crane jr. is district superintendent of grammar schools, while James Ferguson is superintendent of the high school district.

C. E. Piatt, Accountant, Makes Annual Audit Of City Accounts As Of June 30

Healthy condition of Daly City's finances during the fiscal year just ended, was revealed in a report presented at the regular meeting of the city council, Monday night. Author of the report was C. E. Piatt, accountant, who conducted the annual audit of the city accounts for the period from July 1, 1942 to June 30, 1943. Mayor A. J. Gaggero presided over the session, with Councilman Eugene V. Lynch acting as clerk in the absence of City Clerk B. C. Ross.

Total city funds, $77,781.23 at the start of the year, reached a figure of $101,478.64 on June 30, an increase of $23,700, according to the report which has been placed on file in the clerk's office. The general fund grew from $33,469.70 to $52,538.11, for a gain of more than $19,000 for the period. Of the $164,039.12 figure allowed for budget appropriations during the year, $156,573.92 was actually expended, leaving a balance of $7,465.20.

Requested by members of the council, last month, as an aid to determining the advisability of conducting a census at this time, a report by A. J. Bodien, building inspector, was presented. Calculated as an index to population growth since the federal census in 1940, the report listed new residences constructed, alterations in existing structures which would provide additional living quarters, and new apartments. A total of 148 units were shown to have been made available during the 3-year period.

At the estimated average of three and one-half persons per unit, the accepted basis for housing surveys, this would indicate a growth of some 500 in population. To arrive at an estimate from another angle, Mayor Gaggero announced he had consulted records of the Jefferson Elementary School district, as a second index to the increase. The schools showed an increase in average daily attendance of only from 15 to 25 pupils, he stated, which would point to a still lower estimated population gain.

In common with many other California cities, local officials have felt that the 1940 official census takers missed enough bonafide residents to substantially raise the count. Because federal and state grants for postwar public works will depend, in some degree, upon the number of residents affected, they felt that a more accurate figure should be reached. This investigation is to determine whether the proposed new census would be justified.

Considerable discussion was given the matter of injury compensation for civilian defense

NEWS OF OUR MEN and WOMEN IN UNIFORM

In South America

Sergeant Art Linhares sends this snapshot from South America. He writes that he finds that part of the world "very hot and you can count on it to rain at least once a day."

That's a wild parrot, Linhares is holding. He dubbed him "Pluto" in his letter to The Record.

Linhares home address is 176 Los Banos avenue.

Among rescued survivors of the light cruiser, Helena, last week, was **Howard Anderson**, son of Mr. and Mrs. A. B. Anderson, 627 Templeton avenue. The parents were notified by a message, July 21, stating their son had been saved. Young Anderson has been in the Navy for about three years, and has visited his folks here several times since they moved to Daly City two years ago.

The public relations office at Lowry field, Colorado, reports that **William Don Rigler**, son of Mr. and Mrs. D. B. Rigler, 123 Vista Grande avenue, was graduated from the armament school of the Army Air Force Technical Training command there, July 20.

Private First Class Rigler entered the Army, September 15, 1942, at San Francisco. His training prior to Lowry field included instruction at Santa Ana Army air base, at Fresno, and at Buckley field, Denver, Colorado. In civilian life he was an electrician, employed at Marinship, Sausalito. He is 21 years old.

Rigler was graduated from Jefferson Union high school in January, 1941, where he participated in football, golf and track. He also served a term as president of the student body.

Harold Husten, graduate of Jefferson Union high school who has spent most of his life in Daly City, is now an aviation cadet at the Santa Ana Air Base. He writes that he has met a number of other Daly City boys at the base. He is the son of Mrs. James Honan, 256 Los Olivos avenue.

Previous to going to Santa Ana, Husten took training at the University of Minnesota.

Private First Class **Earl Leonard Ralston**, whose home is at 550 Templeton avenue, Daly City, was graduated, July 27, from the armament department of the Army Air Force Technical Training command at Lowry field, Colorado. Previous military history for Ralston included instruction at Monterey, California, and Buckley field, Colorado.

Before entering the U. S. Army, Ralston was employed as an industrial maintenance mechanic by the Remler company in San Francisco. His mother lives in Minneapolis, Minnesota, and his wife, Helen, resides here in Daly City.

Private **Warren F. McHugh** left Daly City, Sunday night, to return to duty with the U. S. Marine Corps, after spending a 10-day furlough here. He visited at the home of his parents, Mr. and Mrs. John McHugh, 774 Bellevue avenue. During his stay his friends planned many festive occasions for his enjoyment.

McHugh, who has been with the Marines for 2 months, is a graduate of Jefferson Union high school. He is 18 years old.

Mr. and Mrs. Richard O'Connor, San Francisco, were among the many friends who saw him off, Sunday night.

IN ALEUTIANS

Walter Brewer, son of Mr. and Mrs. Edward Brewer, 139 Evergreen avenue, is pictured above, displaying some salmon berries, one of the very few fruits or berries to be found in the Aleutians, where he has been stationed with the U. S. Army for the past 26 months.

Brewer, now a corporal, is a graduate of Jefferson Union high school where he played basketball and took an active part in other school programs. He enlisted when he was 16.

Druids To Top Week At Center With Social

Hillcrest Circle No. 143, U. A. O. D., will top off its week as hostess at the Daly City Servicemen's club, 6201 Mission street, with a social, Saturday night, July 31. Dancing and entertainment are on the schedule for the evening.

The Daly City Fire department is to take charge at the center during the week of August 1.

Miss Rosalyn Rosenberg, popular Daly City dancing instructor, has announced that she will give lessons each Tuesday evening, 8 to 10 p. m., to any of the servicemen who wish to learn to dance.

Recent donations to the club came from Mrs. Lillian Thomey, Jim Callan, and the Ladies auxiliary to Company No. 2, D. C. F. D.

Daly City Police Give Chase In Shorty Roberts Drive Inn Holdup Early Monday

Daly City Police went to the assistance of the proprietor of Shorty Roberts Drive Inn, early Monday morning, when Giovani Bernardini, one of the witnesses to the holdup contacted the patrol car at Hillcrest drive and Mission street. The masked gunmen and their companions had fled from the scene by the time the local officers arrived and although they gave chase they were unable to overtake the black sedan.

Shorty Roberts Drive Inn is outside Daly City's limits and local officers referred the case to the sheriff's office at Redwood City.

Bernardini was shot at by the bandits as he sped away from the drive inn in his car for help. Manager Bernard O'Hare was forced to turn more than $2,000 in cash receipts over to the men.

The bandits accosted O'Hare and his employees and the late customer, Bernardini, as they were leaving the drive inn at 4:05 a. m.

Other recent police news of a less exciting nature, dealt with a pedestrian-auto accident, July 23, 11:30 p. m. at Wellington avenue and Mission street. Beatrice Ann Babka, San Francisco, was the driver, and Theodore Hoffman, San Francisco, the pedestrian. He was taken to Alemany hospital by the Company No. 1 firetruck. Officers Henry Sundermann jr. and Roland A. Petrocchi supervised the handling of the incident.

OPEN HOUSE

Civilians for the first time since its establishment visited the day room at Fort Daly City, Friday night, July 23. "The boys" held open house at their recreation center at the fort and for the occasion invited many local residents to attend their party.

Ted Weem's orchestra highlighted the evening's program of entertainment.

Maximae Morris Announces Schedule Of Summer Recreation Program Events

Daly City's summer recreation program for grammar school age children got off to a good start, last week, with large and enthusiastic throngs of youngsters reporting to the Pershing and Lincoln centers for instruction and play.

Miss Maximae Morris, 186 Irvington street, a graduate of Jefferson Union high school and San Francisco State Teachers college, and an experienced recreation leader, is in charge.

She announces the following weekly schedule of events at the two centers being used in the program, General Pershing school, 631 Hanover street, and Lincoln park, Acton and Brunswick streets:

Monday, Wednesday, Friday, 10 a. m. to 1 p. m. at Pershing school, crafts including model planes, painting, block printing, paper mache modeling, poster printing, wood designing, sewing and weaving, puppet and mask making, wood and soap carving, and creative art; games, checkers, parchesi, pool, ping pong, tiddley winks; dancing, creative, ballroom, and folk.

Tuesday and Thursday, 10 a. m. to 5 p. m.; Monday, Wednesday, and Friday, 1 to 5 p. m.; Saturday, 10 a. m. to noon, playground activities at Lincoln park, including tennis, baseball, volleyball, kick ball, swings, jump rope, checkers, shuffle board, pool, and chance games.

Farallone Packers Beat Out Owl Drugs

Daly City's baseball squads did all right for themselves, Sunday, in games played at Marchbank park. The Farallone Packers, in a Peninsula Summer Baseball league contest, beat out the Owl Drugs, 2 to 1 in a close one. Earlier, the Packer Juniors had taken a 7-3 decision over the San Mateo Juniors.

Manager Charles Norry's Packers were held to six hits while their opponents were credited with five. Battery for the Farallones was LeGault and Fenech, and for the Owls, Lister and Patch.

The win gave the Daly City team a tie for second place in league standings, below the pacesetting San Mateo Blues. The Blues have won eight and lost two; the Packers and Belmont trail with seven and three; Owl Drugs have five and five; Moffat Mantecas, five and five; Simmons company, two and eight; and Burlingame, one and eight.

With only two games remain-

out lights for emergency vehicles have been requested for Daly City, according to Bodien. Under new state and federal regulations vehicles which will be permitted to operate during blackouts are being held to a minimum. The new blackout lights will go only to heads of services, ambulances, police cars, and utilities. The fire department trucks use their regular lights.

Bodien has received word from OCD that two 500 gallon per minute trailer units and four 14 foot ladders are in transit. These supplies, made available by the federal government, will materially augment Daly City's strength in self-protection in the event of emergency.

On request with OCD is an order for 440 new gas masks to be issued to take the place of those now carried by Daly City civilian defense workers. The old ones will be turned back in to headquarters as they cannot offer as complete protection as the new type.

Famous War Film Features Laughton

"This Land Is Mine" Is Vivid Action Tale

Far and away one of the greatest pictures to come out of Hollywood this season, RKO Radio's "This Land Is Mine" opens at the Daly City theatre tonight. Charles Laughton is starred in the film with Maureen O'Hara and both players turn in the finest performances of their careers.

The lovely Maureen has her first real chance at a meaty, dramatic role and she handles it superbly, while Laughton unquestionably tops every portrayal he has ever given with his work as the shrinking, timorous school teacher who burns out his fears in the fierce flame of patriotism for a stirring and unforgettable climax.

The vivid action of "This Land Is Mine" is laid in a little railway town somewhere in occupied Europe (the exact country is deliberately not identified) just as Nazi troops arrive to take over the area. The reaction of the townsfolk is typical; some of them eagerly "collaborate," others remain aloof, still others plot secretly against the invaders. The Nazi commander, Von Keller, is suave, sympathetic, comprehending, coolly determined to keep things orderly and quiet at any cost, for that is his duty, but hoping that there will be no disturbance, for that will lead to reprisal and bloodshed.

Despite the collaborationists, the underground movement grows. The school teacher Lory, played by Charles Laughton, knows nothing of it, but his scheming old mother does, and when a couple of Nazi soldiers are slain, Von Keller reluctantly is forced to act. Among the hostages he takes is the teacher, and to save her son's life the mother betrays one of the young patriots.

The consequences of her act remorselessly involves others, among them Miss O'Hara, and result in Lory's arrest on a murder charge. It is not until the teacher endeavors to win his freedom and realizes what freedom really means that he sheds his timidity and, well aware of what his fate will be, proclaims to his startled fellow-citizens an inspirational message of resistance against those who have taken their country.

It is a brilliant and moving piece of acting, one of the finest the screen has ever seen, and the entire cast deserves plaudits for splendid support. Miss O'Hara, as the girl with whom Laughton is secretly in love and whose fiance proves a traitor, turns in a compelling performance. George Sanders as the traitor, Walter Slezak as the Nazi Major, Una O'Connor as Laughton's mother, Kent Smith as a youthful patriot and Philip Merivale as the principal of the school are all notable in their roles.

Jean Renoir's sensitive direction, and Dudley Nichols' production values and his masterly screenplay, combine perfectly to give this picture the realism and the impact that make it so outstanding.

ASK FOR ADVANCE REGISTRATIONS

Will Continue Jeff Canning Clinic

Advise Daly City Women To Write In At Once

Local housewives were reminded, this week, by Jefferson Union high school, that the continuation of the canning clinic in Daly City depends entirely upon the number of advance reservations made. This means that interested women, who wish to have free use of pressure cookers or free instruction in the many phases of home preservation of fruits and vegetables, must mail names, addresses, phone numbers and amounts of vegetables to be canned to the high school office, 6996 Mission street, AT ONCE.

This week, on both Monday and Wednesday, all-day sessions were held, under the direction of Mrs. Genevieve Lundin and Mrs. Louise Bodinghouse from the San Mateo Junior College Adult center. Other dates will be arranged depending entirely upon the interest shown by local housewives in the project. The clinic is open from 9 a. m. to 4:30 p. m. on the scheduled dates but those to participate are notified in advance by the school. School authorities advised that each woman bring a pot holder, funnel, dish towels, ladle, and tested jars of standard pint or quart size.

On Wednesday, July 21, Mrs. Christine Clay, Mrs. William Lagomarsino, Mrs. Alfred Varni, and Mrs. Mildred Cunningham participated in the program. On Monday, July 19, a total of 73 pints and 3 quarts of vegetables were canned.

Among the foods preserved by the ladies to date have been squash, peas, carrots, string beans, corn, artichokes, beets, plums, and peaches.

Although most of the canning at the high school is being done by the pressure method, advice on all other types of canning and facilities for handling them at the school are available.

KNOT BOARDS

John Newton, John Ferrari, and **R. L. Crane jr.** have turned out nearly two hundred knot boards for the American Red Cross rehabilitation program. Already a request for more of these weaving boards has been received by Crane. Other service club members are expected to volunteer in the project.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

Memoirs Of Bowling's Gift To Censorship

Chief correspondent on the bowling front for the Daly City Record, R. L. Crane jr., gives us a very garbled report on what has transpired in the past two weeks on the civilians vs. military front. As nearly as we can untangle the cablegrams, the enlisted men went down to defeat, Tuesday, July 20, on their own favorite alleys. This, for some reason best known to Keglers Warren Overhaus, Norman Beatty, William Healy, Edward Bargarliotti, and Crane, of the civilian sector, met with riotous rejoicing among the non-military.

Tuesday evening, July 27, the enlisted men and the civilians met at the Rialto. Results are still on the other side of the censor. Tomorrow night, July 30, the lieutenants (not to be confused with the enlisted men) will play Conci's Shell service keglers at the Lincoln Bowl.

"Date Conscious"? You'd Better Be - -

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

June 16—stamp 18 in War Ration Book One became valid for purchase of one pair of shoes.

July 1—blue stamps N, P, Q became valid and may be used through August 7.

July 4—red stamps Q became valid.

July 11 — red stamps R became valid.

July 18 — red stamps S became valid.

July 22 — stamp No. 22 in War Ration Book One became valid for 1 pound of coffee; good through August 11.

July 31—red stamps P, Q, and R expire.

August 7—blue stamps N, P, Q expire.

August 11—coffee stamp No. 22 in War Ration Book One expires.

August 15—stamp 13 in Book One good for 5 pounds of sugar, expires.

August 31—deadline for inspection of tires, C book holders.

September 21—last day to use "A" book coupons No. 7 for 4 gallons of gasoline.

September 30—tire inspection deadline for A book holders.

October 31—last date to use stamps Nos. 15 and 16 in Book One, each good for 5 pounds of canning sugar.

October 31—shoe stamp 18 (in War Ration Book One) expires.

October 31—tire inspection deadline for B book holders.

STRAIGHT OUT - - DALY CITY FALLS SHORT IN DRIVE

Frankly, Daly City is not giving out with what it takes in the current drive to obtain old phonograph records, according to a report submitted, early this week, by A. G. K. Jakobsen, chairman for Daly City Post No. 410, American Legion, which is handling the campaign locally. In spite of collection boxes and barrels placed in more than twenty locations around town, comparatively few records have come in.

Jakobsen made a final appeal today for Daly City people to support the campaign before it closes, Saturday, July 31.

"All it costs is a little time to dig up discarded, scratched or broken records and turn them in to the Legion. The thing you give is useless anyway. It's just gathering dust in the attic or closet.

"But when those old records are made into new discs and sent to the fighting fronts, they will mean pleasure and peace of mind to our sons and brothers, sweethearts and friends out there where no other form of entertainment is possible. You can't put a dollars and cents value on that kind of dividends."

More than 10,000,000 pounds of old records are needed to furnish shellac for the 3,000,000 new records required to meet the needs of the Army, the Navy, Marine Corps and Coast Guard. And the campaign will end July 31.

Bob Hope, Marion Anderson, Cab Calloway, Xavier Cugat, Nelson Eddy, Duke Ellington, Mischa Elman, Benny Goodman, Wayne King, Oscar Levant, Andre Kostelanetz, Grace Moore, Yehudi Menhuin, Jan Peerce, Lily Pons, Paul Robeson, Artie Shaw, Dinah Shore, Arturo Toscanini, and Gladys Swarthout are just a few of the eminent musicians, radio and recording artists who are sponsoring the records for our fighting men.

With artists standing by to make the new recordings and the manufacturers ready to turn out the discs as soon as the shellac is available, the success of the campaign depends entirely on the tonnage of scrap records turned in by Mr. and Mrs. Citizen.

In case you've lost your last two Daly City Records, which listed the entire group of stores, restaurants, and taverns acting as collection depots, you can bring them to the Daly City Record, 3317 San Jose avenue. Or, if you have too many phonograph records to carry, call Jakobsen at RAndolph 6895.

ing in the league schedule, the Packers are assured a place in the four-top-teams playoff, and so at least one of the games will be played at Marchbank park. Remaining contests for the locals include one with the Moffat Mantecas on the local diamond, next Sunday, and a meeting with the Blues at San Mateo on August 8. The Moffats blasted Simmons company, 23 to 4, last week, and have everything to gain in their effort against the Packers.

In the morning game, next Sunday, Manager Louis Marioni will send his Juniors against the Laundry Workers at 11 a. m. on the Daly City field.

workers, with City Attorney F. E. Hoffmann stating the opinion that the city, itself, has no liability in such cases. Civilian Defense Director Bodien stressed the point that workers must look to the new federal insurance designed to cover such activities, and are so protected only if they have re-registered under the new provisions.

Councilman Edmund Cavagnaro advanced the plan to cite concrete examples in which workers were injured under specific conditions and ask for rulings by the state OCD office.

The council accepted the resignation of Bert Wester from the police department, where he has been employed for the past two months.

Cavagnaro reported on the city's recreation program, which got under way last week at General Pershing school and Lincoln park. An outline of the daily programs was presented by Mrs. Anne Eason, member of the Daly City Recreation committee.

Buy Today on the Lay-A-Way

HERE'S HOW IT WORKS:

1. First, be sure you really need to buy. Next, put aside your regular allotment for War Bonds. Then come in and select the wardrobe or linen closet items that are on your "must-have" list.

2. Make an initial payment of 10 per cent on everything you select. Budget your remaining payments in convenient weekly or monthly "installments." You'll have no bills to pay when Fall rolls around.

3. Every item you select now is one less to buy next winter. "Scare buying" now is unnecessary and unpatriotic. But looking ahead, keeping your budget well balanced, is keeping your financial footing—doing something real for your country.

Enough to Go Around

Now, for the first time in years, both farmers and manufacturers can work for the biggest possible yield without thinking about the market. This year they can sell all they can produce.

As things look now, this condition is due to keep up for some time, but we can't count on its lasting forever. *Certainly nobody wants a prosperity built on war!* So it's high time that everybody concerned—and that is *everybody*—gave some thought to keeping things running after the war.

You're busy, we know. So are we. The important thing right now is seeing that there's enough of everything to go around. But we've been devoting a little attention to the problems of the future, too. We feel that the people who have the producing job to do can contribute a lot to the solution of those problems.

And we hope that you, too, busy as you are with growing more food than this country's ever produced, will be turning these problems over in your mind. For if America's farmers and manufacturers, working together, can't find a way to keep the richest country on earth producing enough for everybody, and let the producers make a living in the process—if they can't, why then, who can? *General Electric Co., Schenectady, N. Y.*

Block Mothers Meet Wednesday

Block Mothers of Daly City are scheduled to meet Wednesday evening, August 4, at 559 San Diego avenue. The session will open at 8 p. m. and Mrs. Adele Hanelt, leader, urged all block mothers to attend. She also issued an appeal for those women who might wish to serve as block mothers to join the group, Wednesday evening.

"It is imperative that we have one woman to organize and be responsible for each city block," Mrs. Hanelt said. "To date that objective is far from being realized. The need is great for service in this field. Won't you help?"

BEAUTY AND COURAGE AT BAY

Suppose it happened to your town as it does to the town in RKO Radio's hard-hitting new drama, "This Land Is Mine," now playing at the Daly City theatre. If you were girls, like Nancy Gates and Maureen O'Hara, above, you'd have to back up your sweethearts and brothers in their desperate battle against the Nazi invader, like the one Kent Smith fights. "This Land Is Mine," starring Charles Laughton and Miss O'Hara, is a story of Occupied Europe today and is of great patriotic significance.

A Frozen "Creation"

By Frances Lee Barton

"THAT'S not merely a pie, that's a creation" remarked a delighted guest one day. And such praise is manna to the soul of a hostess.

Here's a frozen "creation" for women who find it difficult to serve guests as they did when the horn of plenty hung over each dining room table:

Pudding Ice Cream Dessert

1 teaspoon granulated gelatin; ¼ cup milk; 1 package prepared butterscotch pudding; ⅓ cup sugar; 1¼ cups milk; 1½ cups light cream.

Soak gelatin in ¼ cup milk. Place pudding powder in saucepan. Add sugar and 1¼ cups milk gradually, stirring constantly. Cook and stir over medium flame until mixture comes to a boil and is thickened. Remove from fire. Add gelatin-milk mixture and stir. Add cream and mix thoroughly. Place in freezing tray of automatic refrigerator, setting control for coldest freezing temperature. When partially frozen, remove to bowl and beat with rotary egg beater. Return to freezing tray and freeze 30 minutes longer; stir. Then freeze until firm. Freezing time: 3 to 4 hours. Makes ¾ quart.

Note: Gelatin may be omitted, if desired.

FATHER, DEAR FATHER

The plaintive cry, "Father, dear father, come home with me now," echoes throughout the land!

But, father isn't doing "ten nights in a barroom"—he's hanging around the draft board. He still doesn't know if he'll be drafted.

About a year ago—as best we can remember, Brigadier General Hershey, who heads the Selective Service division, warned that pre-Pearl Harbor fathers would have to be drafted. He estimated that it would be a year or more before this occurred. Since then various officials have made various announcements setting various dates when father would be inducted. Father is still at home—when he isn't at the draft board. Latest word from the Potomac is that he "may not be called." But if he is, he may not be able to answer—after all the suspense he's been through.

Maybe it would be a relief to crawl into a foxhole and have only the Japs or the Germans to contend with.

GOING PLACES!

A survey just completed by the State Population commission reveals some interesting facts: California is probably now the third largest state in the nation—only Pennsylvania and New York have a definite edge; a million people are estimated to have come to California since the 1940 census was taken; and a population of ten million seems inevitable by 1950.

A little over 40 years ago—in 1900 to be exact—our State ranked twenty-first. At that time we "boasted" a total of 1,485,000. Today we have close to eight million. Quite a change!

This swelling population, along with the increased production demands of war, have resulted in tremendous expansion of our industrial, financial and agricultural facilities. Our war plants now lead the nation in ships, planes and other material turned out; our $3 billion statewide branch banking system has risen from fourth to third among the great financial houses of America; our farmers supply approximately 10 per cent of the total food of the nation.

The Population commission tells us that we must be prepared for even greater migration to California after the war. It also points out the possibility that by 1960 we may be even larger than New York state. One thing is certain: California is really going places!

END OF COFFEE RATIONING

The OPA in Washington has looked into its crystal ball and predicted that coffee rationing will end some time in August.

For the man who depended upon one cup of coffee in the morning to open his eyes and another to wash down his breakfast, the end of coffee rationing will mean that he will be able to face the facts of life with both eyes open.

This may have a far-reaching effect on the domestic war front, for we firmly believe that much of the bickering among civilian brass hats in Washington can be traced to the fact that they probably have started the day with one cup of coffee—and consequently with but one eye open. Things were bound to look fuzzy to them.

The end of coffee rationing also will come as a boon to dinner table strategists. It's difficult enough to solve a major personal problem over one cup of coffee. As for a global war—well, what could you do over just one cup?

But there is one thing to remember when you sweep your coffee stretchers and similar ersatz impedimenta into the waste bin. Give a cheer for our air force and navy whose work against enemy submarines has made increased coffee shipments possible.

TAX ASSOCIATION SAYS RATE SHOULD BE LOWER

San Mateo county's property tax rate, scheduled to be set by the board of supervisors by September 1, should be considerably below the $1.0554 rate per $100 of assessed value levied for 1942-43," California Taxpayers' association declared today, urging attendance by citizens and civic organizations at the public hearings on county and school district budgets, scheduled for early in August.

The county-wide rate went down from $1.2335 for 1941-42 to the $1.0554 levied for 1942-43, the association said. The county is one of 43 in the state which reduced its rate for 1942-43.

Reasons for cuts in county spending, with consequent reduction in county tax levy and county tax rate for 1943-44, include:

1. Half of what the county has in the past had to pay per case for old age assistance has been taken over by the state.
2. Election costs will be about half what they were in 1942-43, with only one state-wide election for 1943-44 compared with two for 1942-43.
3. In most counties large carry-over cash balances are available, because some of the money budgeted last year for supplies, wages, and capital outlays could not be spent. Cash balances should be used for tax reduction in 1943-44.
4. In most counties, highway expenditures should be down, because of shortages of men and materials.

California Seems To Believe In "Looking It Up"

California, which ranks second only to Utah among the 48 states in literacy, is also the owner of the most sets of Encyclopaedia Britannica it became known today!

California has a state average of 9 9-10 years of education per person despite its present influx of foreign born and migrant war workers. Its literacy rank is far higher than states such as New York or Illinois, and even cultural Massachusetts is only in seventh place in the national educational standings. Utah, with chiefly native born has 10 2-10 years of schooling per average individual. Nevada ranks third with 9 6-10.

One of the reasons why California ranks so well in possessors of the 24 volume Encyclopaedia Britannica is the exceptionally large number of motion picture stars, producers, writers and directors, who own and use the 37,000,000 word Britannica in their work.

Two other Pacific coast states have also high standings in literacy. Washington is fifth and Oregon sixth, and both are high up too in number of owners of Encyclopaedia Britannica when population is considered; Washington is only thirtieth in population but twelfth in number of Britannica owners; Oregon thirty-fourth in people but twentieth in Britannica owners.

READING & WRITING

BY Edwin Seaver AND Robin McKown

BACK in 1940, an American news correspondent named Carroll Alcott, broadcasting from the international settlement in Shanghai, used to begin his program with the words: "This broadcast is brought to you by courtesy of the Bake-rite Company, Shanghai's leading bakers and makers of better bread. The jam tonight is by the courtesy of Mr. Suzuki and the Japanese Army."

CARROLL ALCOTT

Interrupting his radio program was just one phase of the persecutions Alcott endured from the Japanese during his fifteen years in the Far East. He had too much curiosity about what was going on and too much willingness to make known what he found out to suit the warlords of the Land of the Rising Sun. They tried every means they could think of to make him go home — and when that failed they even attempted abduction and assassination. For many months he went around in a bullet-proof vest and with an armed guaard. He tells his amazing story in "My War With Japan."

The first lesson Alcott learned about Japanese ethics was taught him by a Japanese bootmaker in Manila, from whom he had ordered a pair of shoes. They were to have broad toes, rubber heels, and the color was to be tan. A few days later the bootmaker brought him a pair of black shoes with pointed toes, insisted that was what the newspaperman had ordered and refused to take them back. Alcott responded with a tongue-lashing in which he accused him of being, among other things, a liar. The bootmaker departed from his habitual immobility at that and retorted, "It is no lie to speak improper to white man." Immediately, as though he regretted this outspokenness, he became silent. But in that remark, Alcott believes he got the key to why the Japanese deal so openly in prevarications and the game of double cross without feeling any shame or guilt.

The full story of the bombing of Tokyo—"Thirty Seconds Over Tokyo," by Captain Ted W. Lawson, the galalant lad who lost his leg on this expedition, is to be one of the Book-of-the-Month selections for August. Along with this exciting story, the Club is also sending its members "Origins of the American Revolution," by John C. Miller, a book which one outstanding American historian calls "the best ever written on the American Revolution."

In "What You Should Know About Spies and Saboteurs," Will Irwin and T. M. Johnson advise the layman to inform the F. B. I. or Army and Navy Intelligence of any reasonable suspicion of sabotage or spy activity. They also offer suggestions as to what does and does not constitute a reasonable suspicion. Among the hysterical notes which have reached official headquarters from well meaning civilians was one which reported that Japanese disguised as salmon were swimming up the Columbia River. Another asserted that German spies were communicating with one another through water faucets.

DEAN OF COLUMBIA TEACHERS COLLEGE ASKS FOR SWEEPING REDESIGN OF EDUCATION

A sweeping redesign of educational policies and methods is advocated by Dean William F. Russell of Teachers college, Columbia university, New York, in his interim report to the board of trustees of the college, made public recently. According to Dean Russell, many problems which appear at first glance to be the direct result of the war are in reality long time problems, likely to persist, which the war has merely served to highlight, while other educational problems brought about by the war will increase in importance in the future. A redesign of the purposes and procedures of American education is requisite to meet these problems, Dean Russell says.

Citing old problems brought into relief by the war, Dean Russell mentioned the uneven distribution of children and dollars so that areas in the United States having low expenditures for schools and social services and high taxation in proportion to wealth have at the same time the highest birth rates in America. The illiteracy and disease of this section of the population has been sharply highlighted by the findings of the Selective Service boards. "The American people have steadfastly refused to approve a plan for Federal participation in the financing of local schools. Undoubtedly they have been fearful of Federal control of the mind. What we need is a REDESIGN of American school finance," declared Dean Russell. State school administration also must be redesigned to remove it as far as possible from the sphere of politics, if the American people wish to avoid Federal control of education, Dean Russell pointed out.

Unattained objectives in American life today include physical fitness, technical skills for a large portion of the population, an understanding of technology, a new appreciation and love of America, sufficient religion in education and the establishment of a new set of values. Another goal necessary to attain lasting peace is a hardheaded understanding of the relation of men to men and their interdependence. "If the American people think that these unattained objectives are desirable and that most of their children should achieve them, our schools not only should map a new course but they should be given the support, the personnel and equipment to follow it with success. What we need is a redesign of the purposes and procedures of American education," Dean Russell asserted.

To achieve the unattained objectives, Dean Russell suggests a redesign of the usual educational structure of kindergarten, elementary school, high school and college into two general areas of childhood and youth, with education related to care and welfare. The dean recommended some form of work experience without exploitation as part of the new educational design. A greater em-

city not to play on the hills behind the Daly City library. Friday, some one threw a rock through one of the rear windows. Officers will patrol to keep youngsters out of the vicinity.

The daughter of Albin Larson, 563 Templeton avenue, called Daly City Police for aid, Saturday evening at 5:25 when she was unable to secure a physician. Larson had had an internal hemorrhage, Officer Petrocchi found. The first aid truck from Company No. 1 rushed him to Alemany hospital where he was pronounced dead upon arrival.

On Friday, August 6, Harry Scher, San Francisco, will face Judge William J. Sweeney in local traffic court on charges of driving while under the influence of intoxicating liquors with the added complaint of bright lights in a dimout area. Officers Walter Davis and Bert Wester stopped him, July 22, at 1:15 a. m. as he drove his Dodge sedan south on Mission street. He was jailed and later released on payment of $50 cash bail.

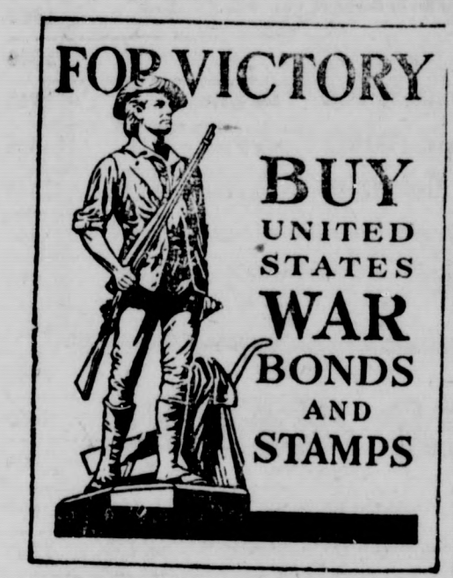
phasis must be placed on guidance to provide appropriate experiences, information, counsel and personal relationships. A new definition of the relative responsibility of the individual, the family, the church, industry, the state and various political subdivisions as they operate through schools and other social agencies is also necessary, Dean Russell feels.

In addition to three major research projects bearing upon the problems of the financing and control of education, now under way at Teachers college, Dean Russell proposed that the college establish two new research projects to investigate and delineate the redesign and improvement of both childhood and youth welfare and education. The recommendations of these two study groups are to be tested in actual school practice. The results thus achieved, measured objectively, and the conclusions reached as to the shape of the new design of education will be published for general school use.

PRINTED BUT NOT DATED dinner gowns give poised assurance to the summer hostess. Flattering simplicity marks the multicolored flowered crepe worn by CBS star Joan ("Bright Horizon") Alexander. From the V-shaped bodice, the soft skirt takes on slenderizing qualities by assuming fullness through gathers added at a line below the hips. Self-covered buttons pick up the predominating colors of the print.



Memorize Red Cross Disaster Center Locations

Are you familiar with the location and services your Red Cross Disaster Relief shelter offers in time of emergency?

Through facilities of the San Mateo County Red Cross chapter, shelters have been established in every community for use of civilian population after the "all clear" has sounded in event of enemy bombing. Persons reporting at this time to the shelter designated to their community will find food and clothing as well as registration and information concerning location of lost children, or other emergency.

San Mateo county citizens are advised by Percy Shaw, Disaster Relief chairman of the local Red Cross chapter, to memorize name and location of Red Cross shelter assigned to their neighborhood.

Following is a list of shelters for Daly City and local chairmen:

Shelter committee: R. L. Crane jr., Woodrow Wilson school, 140 Woodrow street.
Mrs. Ida Hanley (co-chairman), Woodrow Wilson school, 43 Woodrow street.
R. L. Crane jr., General Pershing school, 140 Woodrow street.
Mrs. Allene Lehigh, (co-chairman) General Pershing school, 563 Crocker avenue.

Registration and Information committee:
Mrs. Ann Eason, General Pershing school, 924 Hanover street.
Mrs. Emma Sorg, Woodrow Wilson school, 115 Knowles avenue.

Food committee:
Mrs. Ethel M. Dorn, 2 Risel street.

Clothing committee:
Mrs. R. L. Crane, 140 Woodrow street.

LOCAL FIREMEN ANSWER EIGHT RECENT ALARMS

Since July 21, the fire alarm system was called into use eight times.

Most spectacular of the blazes occurred, Wednesday night, July 21, at 7:48 when a gas pump at the Texaco station, Market and Mission streets, burst into flames. Companies No. 1 and No. 6 responded and with the aid of the Colma Volunteer Fire department extinguished the fire.

Companies No. 1 and No. 6 put out a grass fire opposite the No. 6 firehouse on Werner avenue, Thursday, July 22, at 2:44 p. m. Companies No. 1 and No. 4 extinguished a grass fire on the hills near Templeton and Bellevue avenues, at 5:08 p. m. the same day, and later that evening, at 7:27, they quenched another grass fire on the hill below reservoir No. 2.

A false alarm was turned in from Box 613, Mission and Market streets, Saturday, July 24. Companies No. 1 and No. 6 responded. At 12:10 p. m., Saturday, Companies No. 1 and No. 2 brought flames which broke out under the front part of a No. 40 Market Street Railway car under control. The car had come to an emergency stop on Mission street, between East Vista and Alp. On the same date, at 9:25 p. m., Fred Bertetta, 98 Cavour street, reported a fire at the high school grounds. Firemen of Company No. 2 rushed to the scene and put out a burning stump.

Sunday, July 25, 7:24 p. m., Companies No. 1, No. 2 and No. 6 extinguished a fire in a rubbish heap at the rear of Pacific Coast Aggregates on Junipero Serra boulevard.

SAFEWAY Homemakers' Guide

Make summertime meals hearty!

One thing is certain: We can't "keep going" at our best speed unless we keep our summertime meals hearty and really nutritious. Easiest way to do this is to include at least one hot dish with all three meals of the day. And they don't have to be the kind that require hours and hours in preparation. Here are some suggestions for "quickie" hot dishes that will satisfy robust appetites.

TOAD-IN-A-HOLE—Form leftover, mashed potatoes into balls about 2 inches in diameter and press hole in the center. Partially fill hole with cooked, chopped meat, and add left-over gravy to fill hole to top. Place under broiler, and broil until potatoes are golden brown and gravy starts bubbling. Serve piping hot. Leftovers in grand disguise.

LIVER AND TOMATOES—Simmer 3 cups chopped, fresh tomatoes, ¾ tsp. salt, ⅛ tsp. pepper, and 1 large chopped onion for about 5 minutes. Cut liver into 1-inch squares, and brown quickly. Add to sauce and simmer for a couple of minutes longer. Serve over noodles.

CABBAGE ROLLS—Prepare corn meal mush by adding ½ cup corn meal to 2 cups rapidly boiling, salted water. Cook about 20 minutes. Then add 2 cups chopped, cooked meat, carrots and peas, or any other kind of vegetables you have. Add a beaten egg if desired. Season with salt and pepper. Roll mixture up in individual cabbage leaves and tie or secure with toothpicks. Place in a flat pan, add just enough water to create a steam, and steam for about 15 minutes or until cabbage leaves are tender. Serve with a big salad. This offering is almost a complete meal in itself.

BARBECUED KABOBS — Cut beef, lamb or veal into 1-inch squares and string on skewers, alternating meat with sliced onion. Let kabobs stand in a mixture of vinegar, paprika, salt, pepper, and garlic for about an hour. Then broil or pan broil until sizzling on all sides. Heat vinegar mixture and serve over kabobs. Broiled corn on the cob can occupy the same oven and share the spotlight on the menu.

STUFFED STEAK—Have steak cut very thin. Spread steak with a thick layer of seasoned breadcrumb stuffing. Roll up steak, jelly-roll style and tie or skewer. Brown steak roll in hot shortening, then add just enough water to create a steam and cover and steam for about 25 minutes, or until steak is tender. Make gravy from drippings. It makes a little steak really go around.

Cavagnaro - Wright Wedding Ceremony

Gowned in white mousseline de soie, Miss Lillian Cavagnaro went to the altar of Our Lady of Perpetual Help church, Sunday evening, to exchange wedding vows with Robert George Wright. The ceremony was performed at 6:30 p. m. by Father Hore before a large group of relatives and friends of both young people.

The bride, who carried a bouquet of white carnations and wore a fingertip veil, was given away by her father, Councilman Edmund Cavagnaro. She was attended by Miss Muriel Mooney, as maid of honor, while the groom was attended by his brother, William Wright.

Miss Cavagnaro, daughter of Councilman and Mrs. Cavagnaro, 428 Irvington street, as well as her husband, the son of Mr. and Mrs. George Wright, Colma, graduated from Jefferson Union high school and attended San Mateo junior college.

The groom has been in the U. S. Army for the past year. He is a corporal, stationed at Camp Crowder, Missouri. Tomorrow night, July 30, the couple will leave for that state.

Soloist at the Sunday ceremony was Miss Mary Mooney. A reception for friends of the couple was held after the wedding at Little Italy hall.

Crocker Chapter Plans Reception

Monday evening, August 2, Crocker Chapter No. 382, O. E. S., will hold a reception in honor of Deputy Grand Matron Mrs. Ellen Victoria Grover at Masonic temple, 17 Hillcrest drive. The 8:30 reception will be preceded by a short business meeting at 7:30. Mrs. Grover is a past matron of Crocker chapter. Committee includes Mathilda Heeringa, chairman; Katherine Reeves, Lillian Wickersham, Jean Strachan, Margaret Swan, Frieda Schade, Ann Petrie, Henrietta Palmer, and Jean Jeffrey.

At the stated meeting, Monday, August 16, an initiation will be held. Chairman of the committee for the evening is Hilda Robertson.

Members of Crocker chapter were reminded that on Monday, August 30, at 8 p. m., a reception for Worthy Grand Matron Katherine Farwell and Worthy Grand Patron Donald A. Boone would be held at Scottish Rite auditorium, Sutter street and Van Ness avenue.

The sewing club of the chapter will meet Thursday, August 26, at 1268 Geneva avenue. Hostesses are to be Florence Kramer, Gloria Woods, and Irene Genke.

WAR WORKER'S DESSERT

"A woman's place is in the home — after the whistle blows at the airplane factory." This is the wartime version of the old saying.

Today, mother and sister are welding, inspecting, sorting, packing, mailing, driving and painting. Time clocks and closing whistles have taken on a new meaning. We are at war — and this time the women are at war too.

And yet, we must have good food, well-cooked food, tasty food and nutritious food. This is essential. Busy as mother is, she must live up to the nutrition program. Dad needs energy food; mother needs proteins to rebuild those much-used muscles; the children need healthful milk, vitamins and minerals — war or no war.

Here is a recipe for a tasty dessert that may be made in the morning and placed in the refrigerator for the evening meal. Or it may be made in a jiffy after any work "shift" and taken from the refrigerator by any member of the family, at any time when a "war meal" is scheduled. It's a light dessert, but tasty and very nutritious:

Honey-Nut Rennet-Custard

1 rennet tablet
1 tablespoon cold water
1 pint milk, not canned
3 tablespoons honey
½ cup pecans

Chop pecans and divide among dessert glasses. Crush and dissolve rennet tablet in cold water in a cup. Add honey to milk and warm slowly, stirring constantly, to be sure honey blends with milk. Test a drop on inside of wrist frequently. When COMFORTABLY WARM (110° F.), not hot, remove at once from heat. Add dissolved rennet tablet and stir quickly for a few seconds only. Pour at once, while still liquid, over the nuts. Do not move until firm — about 10 minutes. Chill. Just before serving top with Honey Whip Topping.

Honey Whip Topping: Combine 1 stiffly beaten egg white and 1 tablespoon strained honey (1 to 3 tablespoons honey may be used) and whip with egg beater until fluffy. Serve on top of rennet-custards.

Frost cup cakes on top and sides with a quick fudge frosting. While frosting is still soft, press an animal cracker into the top of each cake.

Makes 4 or 5 servings.

Mrs. Charles Shaddox Is Honored Guest At Surprise Stork Shower Given July 20

Mrs. Oliver Nolte was hostess, Tuesday, July 20, at a surprise stork shower at her home, 325 Knowles avenue, for Mrs. Charles Shaddox, the former Miss Muriel Hollingsworth.

Clever pink and white decorations highlighted the party and the guest of honor received many beautiful gifts. Centerpiece was Old Doc Stork and the large cake which had been prepared especially for the occasion was also decorated with a stork.

Present were: Mrs. A. T. Hollingsworth, Mrs. Henrietta Mather, Mrs. Emma Ward, Mrs. Doris Franke, Mrs. Alice Prescott, Mrs. Helen Sunderman, Mrs. Emma Schroff, the hostess, and the guest of honor.

Mrs. Shaddox's husband is in the U. S. Navy and for "the duration" she is making her home with her mother in Colma.

ABOUT TOWN

Mr. and Mrs. Everett O. Beal, Daly City, are the proud parents of a son born, July 9, in San Francisco. Congratulations are also in order for **Mr. and Mrs. Willard N. Jones,** Daly City, who are the parents of a son born, July 12, in San Francisco.

Ivan Klein and **Georgia Christensen,** both of Daly City, were issued a marriage license in San Mateo county, last week.

Mr. and Mrs. Francis J. Kane, Daly City, are being congratulated upon the birth of a daughter, July 17, in San Francisco.

Crocker P. T. A. Sewing Club To Meet, August 3

Next meeting of the Crocker P. T. A. Sewing club will be held, Tuesday, August 3, at the home of Mrs. Orvilla D. Pauw, 859 Hanover street. The session will begin at 11 a. m. and members are reminded to bring sandwiches.

At the August 3 meeting, the unit will make plans for an all-day picnic to be held at Fleishhacker's, Tuesday, August 10, beginning at 10 a. m. Children of unit members are invited to attend and a pleasant day is anticipated.

Last meeting of the sewing club was held, Tuesday, July 20, at the home of Mrs. Dolores Lawry, 1074 Hanover street.

THAT NIGHT A MIRACLE HAPPENED

EXCERPT from a letter from Africa . . .

"It is night in a field dressing station. They bring in a soldier who's gone into shock. He looks like he is dead. And they start plasma flowing into him and back he comes. I tell you there are a lot of fellows coming back from Africa who wouldn't have returned if plasma wasn't on hand. That plasma is miraculous."

NOT ONCE but many times by the hundreds, before the tired eyes of doctors and nurses, blood plasma has performed its miracles in battle zones on land and sea.

Look at the record. In this most merciless war of all time, modern medicine has cut the death rate of wounded men from the 1918 figure of 7% to less than 1% today.

Beyond price. In this most expensive war of all times, the most priceless medicament is plasma — dried blood. Its sole supply is from voluntary blood donors.

The need is great. Northern California quota is 5000 Blood donors a week for the Red Cross Procurement Centers in San Francisco and Oakland.

What to do. Arrange for an individual blood donation at your nearest Red Cross Chapter or come as a group, as many clubs, churches, labor unions and fraternal organizations have done.

Why you MUST come to San Francisco or Oakland! Blood procurement centers must be located near dried blood laboratories. There are only nine such laboratories in the United States. California has two of these — one in Berkeley — one in Los Angeles.

Cut out and mail in the coupon appearing below. You will get a prompt reply. If you live some distance away from the Bay area, you can use the coupon, make arrangements through your local Red Cross, or phone for an appointment. Northern California must not fail in its weekly quota of 5000 Blood Donors.

In the Superior Court of the State of California in and for the county of San Mateo

IN THE MATTER OF ADOPTION OF ANNABELL HORTON.

The People of the State of California:

To FRANCIS B. HORTON, GREETING:

BY ORDER OF THIS COURT, you are hereby cited and required to appear before this Court, at the Court Room, Department No. 2 thereof, at Redwood City in the County of San Mateo, on Monday, the 13th day of September, 1943, at 10 o'clock in the forenoon of that day, then and there to show cause, if any you have, why said adoption order should not be made as prayed for in said petition.

WITNESS, the Hon. A. R. COTTON, Judge of our Superior Court, in and for the County of San Mateo, with the Seal of said Court, affixed, this 2nd day of JUNE, 1943.

Urge Revival Of "Safety First" Campaign Now

Revival of the old-time slogan, "Safety First," and overhauling of safety measures taught in the '20s to meet present wartime traffic conditions and the alarming increase of accidents, were urged yesterday by the California State Automobile association in an appeal to the public to exercise self-protection against traffic perils.

The appeal followed President Roosevelt's call on the nation last week to pay greater heed to "the ground rules for safety." Recent reports to the automobile association on comparative statistics of war dead and traffic dead through the month of June, 1943, follow:

U. S. war dead since Pearl Harbor 15,123

U. S. traffic dead in same period 40,000

The report indicated that the 1943 traffic death toll will approximate 24,000; a 40 per cent reduction over 1941, but only 15 per cent less than the 1942 total of 28,000. This despite a 25 per cent reduction in travel from 1942 to 1943.

Accordingly, the automobile association suggested that the old principles of "Safety First" campaigns, waged in the early days of motoring and which greatly reduced traffic accidents at that time, should be dusted off, streamlined to meet present wartime needs, and applied to re-education on traffic hazards and safety measures.

Traffic accident increases, the association contends, are attributable to the American public being forced to act, more and more, as its own traffic officer as police departments are reduced by wartime demands of the armed forces.

It is also pointed out that the pedestrian—fast becoming the No. 1 wartime traffic victim—"has been lulled into a false sense of security of traffic's potential dangers and today, more than ever, needs a thorough re-education in self-protection."

We feature quality names in staple and fancy grocery items, for we've found them to be the most reliable, from the standpoint of both ourselves and our customers. With our exceptionally low prices, and our unusually large selection, it's a combination hard to beat.

Get full return for your family's food ration stamp allotment at this big modern market at the "top of the hill" in Daly City. Grocery, meat, fruit and vegetable, and fish and poultry departments each feature complete stocks and strongly competitive prices, and all are combined in one big shopping center, for your convenience.

At MILO'S you save --- money, points, time and worry. It's THE place that fits your food buying needs.

MEAT DEPARTMENT

In view of market conditions, we're proud of the way we've been able to protect our customers in the months of the meat shortage. It's taken all the knowledge we've gained in years of market operation but we still claim to be your BEST source of this important food.

Our tremendous volume has helped in holding complete selection of kinds and cuts of choice fresh and cured meats. And that volume was built, and is being held, on three points — quality, service, and price.

YOU CAN REALLY CUT SHOPPING WORRIES IF YOU ---

For the finest quality and most complete selection of fresh fruits and vegetables, visit our racks in the center of this big market. They are loaded down with the best from growers' markets, brought garden fresh each day.

Help your family's health, and the war effort, by serving these foods fresh; conserve canned and processed goods for shipment to our armed forces. For daily menus, or home canning, you'll do better here.

Fresh fish and poultry are not rationed. Serve them often and your family will enjoy them, while you save ration points for other foods. You'll find a wide selection in our big department at MILO'S.

Meat, with its elements of proteins, B vitamins and minerals, is needed in the balanced diet for servicemen and civilians alike. That's a big reason why today's demands, together with present market conditions, have brought on our rationing program.

We know it's discouraging to try to buy sufficient meat for your family, today. But it is important that the nation's health be maintained so the total war effort may not be hampered.

We dealers have had troubles increased many times over, too. And not the least of these is caused by the genuine interest we take in trying to protect our customers in every way possible. There's nothing we leave undone which may aid in solving your meat-buying problems.
